### Making Passion Heard.

At Austrian Audio, we are dedicated to delivering the highest quality audio experience, and our latest model, the Hi-X20, is a testament to this commitment. Designed for recording artists, sound engineers, sound designers, media designers, content creators, and discerning music lovers, the Hi-X20 offers professional-grade sound without breaking the bank.

The Hi-X20 is not just a pair of headphones; it is a professional tool designed to meet the demanding needs of audio professionals and enthusiasts alike. Whether you are in the studio, in front of a mic, or simply enjoying your favorite tracks, the Hi-X20 delivers unparalleled performance and comfort. Trust your mix!

Hi-X20 Headphones feature:

- **Proprietary Hi-X Drivers:** The Hi-X20 features the same proprietary Hi-X drivers as all our professional headphones, ensuring the highest standard of sound quality.
- **Detailed High-Precision Sound:** With an updated tuning the Hi-X20 delivers high-precision sound that is perfectly balanced in middle and high frequencies with a powerful, but not overdrawn bass-response.
- **Robust Build:** With metal hinges and a metal headband, the Hi-X20 is built to last. Its foldable design allows for easy storage and transport in a rucksack or bag.
- **Enhanced Comfort:** The Hi-X20 is designed with your comfort in mind. Slow retention memory foam on the ear pads and bow pad ensures a comfortable fit, even during long sessions.
- **Patented Ear Pad System:** Rock solid acoustic accuracy, that still grants earpad replacement when needed.
- **Long, Detachable Cable:** Featuring a long, detachable 3 metre cable, the Hi-X20 is perfect for professionals who need flexibility in their workspace.
