Product Information Sheet

76-309 MICROPHONE STAND ADAPTER For Fostex 6301, Canford Diecast speakers, M5 & M6

M5 screw | M6 screw | "Top Hat" | 3/8" to 5/8" Adapter

CONTENTS

1 x M5 Screw Suitable for Fostex 6301 speakers and M5 equipped items

1 x M6 Screw Suitable for Canford diecast speakers and M6 equipped items

1 x "Top Hat" Mic stand adapter module with 5/8" thread and accommodation for screw

1 x 3/8"-5/8" Thread adapter to accommodate European 3/8" equipped mic stands

ASSEMBLY

Using the appropriate screw for the equipment to be mounted, secure the "Top Hat" mic stand module.

The equipment can then be screwed directly onto 5/8" equipped mic stands or alternatively screw into the "Top Hat" the 3/8" thread adapter for mic stands that require such.
