

Part No. 40971

## SINGLE DISPLAY FIXED DESK MOUNT

MOUNT A SINGLE DISPLAY TO A DESK, TV STAND OR TABLE

### DESCRIPTION

- Mounts a single 23" - 43" flat or curved VESA display to a desk
- 60° right to left rotation ensures optimal viewing angles
- Create a clean, minimalist environment with an integrated cable management system
- Simple and efficient installation
- 2 year warranty

The Lindy Single Display Fixed Desk Mount is a simple, sturdy solution for creating innovative collaboration and presentation spaces or decluttering personal workstations. This mount is ideal for displays between 23" and 43" and safely supports weights up to 50kg (110.23lb) due to its high-quality steel construction, perfect for use with large format displays.

It's small footprint and 60° left to right rotation allows for flexible for installation while increasing available desk space. This feature also allows users to adjust the screen position providing a comfortable viewing angle, ideal multiple users are viewing the same display.

The integrated cable management system allows for a tidy, clutter free installation, meeting the requirements of modern homes and offices by adding aesthetic value to home cinema configurations and productive group spaces. The mount is simply bolted down to a surface and includes a neat cover hiding the mounting hardware.

Please note: Please confirm this bracket can support the display's VESA mounting dimensions and weight before ordering
