

16-383 TOOLMARK TOOL WALLET No.3 Tan
With running loops for twelve tools, and a pouch, secured by press-studs, for accessories, this wallet has a zip closure and flat carrying handle.
Closed size 317 x178 x45mm.

16-381 TOOLMARK TOOL WALLET No.4 Tan
This compact leather tool wallet with zip closure and room for nine tools. Closed size 229 x114 x32mm.

16-387 TOOLMARK TOOL CASE No.5 Tan
Fastened on three sides by a single heavy duty zip, this case has two flaps which fold out from the interior, one with elasticated loops and one with running loops, giving four surfaces to hold up to thirty-one tools.
A flat carrying handle is provided.
Closed size 330 x225 x95mm.

16-389 TOOLMARK TOOL CASE No.6 Tan, with handles
16-391 TOOLMARK TOOL CASE No.6 Tan, with shoulder strap

Model No 6 is offered in two types, with either webbing shoulder strap or two side carrying handles. A particularly strong zip opens on three sides to give access to the two tool carrying pallets which have running loops to hold up to twenty-two tools.
The hinged pallet has a documentation pocket on its back, and reveals a pouch (390 x120 x50mm approx), for accessories, and further storage area of roughly equivalent size.
Closed size 432 x279 x114mm.

NOTE: Tools not for illustration purposes only.
Not included in the purchase of the tool wallet/case.
