## SWITCHCRAFT UNIVERSAL SERIES CAT5E and CAT6 RJ45 CONNECTORS

**44-3641** SWITCHCRAFT EHRJ45P5E Cat5E, unshielded, fem-fem feedthrough, black
**44-3642** SWITCHCRAFT EHRJ45P5ES Cat5E, shielded, fem-fem feedthrough, black
**44-3643** SWITCHCRAFT EHRJ45P6 Cat6, unshielded, fem-fem feedthrough, black
**44-3644** SWITCHCRAFT EHRJ45P6S Cat6, shielded, fem-fem feedthrough, black

### DESCRIPTION

RJ45 feedthrough connectors mounted in plastic housings which fit the Neutrik 'D' series and Canford 'Universal' series cut-out. Suitable for use with connection panels, connection plates, wallboxes, stageboxes or any application where this cut-out is available.

Both shielded and unshielded designs are available, for Cat5E and Cat6. Connectors can be mounted front of panel (also rear mountable but not recommended), and are available in black.

'Universal Connection System' is a series designation originated by Canford Audio. Copyright Canford Audio 1987.

### ADAPTERS MEET

CAT5e: TIA/EIA-568-B.2 STANDARD
CAT6: TIA/EIA-568-B.2-1 STANDARD

### MATERIALS

RJ45 MOUNTING PLATE THERMOPLASTIC, BLACK
RJ45 HOUSING THERMOPLASTIC, BLACK
RJ45 SHIELD COPPER ALLOY, NICKEL PLATED
PRODUCT IS RoHS COMPLIANT.
