

27-802 CANFORD SPARE MICROPHONE CAPSULE For DMH220/225, SMH210, headset, 200 ohms

From November 2021 the spare microphone capsule for the Tecpro 200 series headsets and Canford 200 series headsets has changed.

27-802 Mic Capsule - Post Nov 2021

Newer model has the signal and screen contacts on the back of the capsule assembly. Previously contacts were front facing as illustrated below.

Pre Nov 2021 Capsule contacts on the front
