

**WA500 SINGLE RACK MOUNT KIT****Rack Mount Kit Installation**

1. Remove and save the screws from each side of the SC4 receiver, as shown in Figure 1.
2. Secure the supplied brackets to the sides of the receiver with the screws removed in Step 1. See Figure 2.
- NOTE:** There are four holes in each bracket. Use the rear holes if the receiver is to be recessed; use the front holes to mount receiver flush to the rack.
3. Insert the supplied plugs into the

- holes in the front panel.
4. Insert the receiver into the equipment rack and secure the brackets to the rack with the supplied screws. See Figure 3.
